Sweet Treats for the Market

Even though we live in Florida and the typical fall nip in the air isn't always something we get to experience, you can still bring fall into your household despite the temperatures outside. You can do this by baking with foods and spices that represent fall in most parts of the country such as pumpkin, apples, cinnamon and cloves. To get into the spirit of the season yourself, and at the same time, donate to the St. John's Market on November 19, get your favorite recipes out and whip-up something for the **Sweet Treats booth** this year! If you have any questions or would like to donate your favorite sweet treat, please contact Call St. John's at (850) 222-2636. Happy baking!

Are You an Artisan?

If you can imagine something wonderful to sell at this year's Market and then make it, the answer is YES, you are an Artisan and we would like your contribution for Market Day! Many exciting mediums are possible: cloth, glass, string, wood, yarn, stone. The end product can be something to wear, or hang on the wall, or give to a child, or use in the kitchen, or take to a football game. We can't wait to see what you come up with! Please contact Call St. John's at (850) 222-2636. So that we will have room in our display area for your masterpieces!

Vintage Items for Market Day?

AMWAT Moving and Storage has again graciously donated a unit for storing items to be sold in the Out of the Attic booth at Market. This year, we are moving away from "giant garage sale" to more of an "antique or vintage shop" look and feel. Nice but no longer needed china, crystal and silver sells well as do smaller pieces of furniture, such as accent chairs and tables. If you already have items to store, please contact Call St. John's at (850) 222-2636 to get the code or arrange drop off. The storage unit is located in the parking lot at Call and Gadsden.

Bookstore News

The Bookstore could use your help. If you have some spare time and the desire to work in a pleasant, cheerful setting with fun people coming in and out, our store is the place for you. Whether you can come once a month or once a week, it does not matter as we can fit you in. We especially need volunteers for the 9am -1 pm Sunday shifts, but we can use your help anytime. Duties may include waiting on and ringing up customers, dusting and straightening merchandise, giving shopping advice to customers, gift wrapping or just lending a friendly ear to someone's conversation. Come join in and help the Bookstore. For more information, please call St. John's at (850) 222-2636.
