

**"Visioning the Vineyard,"** St. John's strategic planning process, is an ambitious effort to discern as a parish family where God is calling our church to grow in the next five years. A strong committee of parishioners, co-chaired by Dennis Howard and Teresa Jackson, and a gifted consultant are hard at work on the effort. All parishioners were invited to participate in a survey

completed in December, and the results are being analyzed, along with research on factors influencing St. John's future.

The next step is a parish-wide day of discussion and discernment, which will include all parishioners, middle-school age and older. Planned for Saturday, March 3, from 8:00 a.m. - 3:00 p.m., Visioning Day is an opportunity for every church member to be heard and to be a part of this totally inclusive and invigorating, grassroots effort.

Childcare is available for Visioning Day in the Nursery, and fun and educational activities will be offered for children kindergarten through 5th grade.

As of February 1, over 120 participants had registered for this important day! If you haven't registered yet, sign-up cards are available between Sunday services and at Wednesday night dinners. Sign-up cards are also available in the church pews--look for the green cards located in the visitor's card holders and place the completed cards in the offering plate or drop the card by the church office. Or, a registration form also appears below. If you would like to use this form to register, you may print and complete the form and mail it to Laurye Messer, 6960 Standing Pines Lane, Tallahassee, FL 32312.

Join our parish family for this empowering and uplifting process to learn where God is leading St. John's as we journey forward!

**I look forward to being a part of St. John's future and will attend Visioning Day!**

Saturday, March 3, 8:00 a.m. - 3:00 p.m.
