## NEW FALL FORMATION

### "GPL for Grownups" Series – Sept. 20

This fall, join members of St. John's for a six-week journey with Global Philanthropy Leaders (GPL) as we consider from a Christian standpoint the lasting economic impacts of racism in the US. Expanding on our GPL curriculum for high school students, adult participants (18+) will explore the connection between past injustices and real-world implications still experienced today. Participants will also have opportunities to make lasting and positive change by investing through micro-loans in small businesses and communities affected by long term injustice. Meets on Tuesday evenings (9/20-10/25). More about content and registration can be found online.

## ANNOUNCEMENTS

### The Prayer Book: Praying Shapes Believing

Episcopalians believe "how you pray shapes who you are," which is why the Book of Common Prayer (BCP) holds such an important place in our life together. Beginning today, join Fr. Lonnie after Sunday services (11:15 AM) in Killeen Hall for a five-part series on the BCP. We'll rediscover the prayer book and its many riches!

### Seeking Children's Chapel Volunteers

We are looking for a few adult volunteers to assist with Children's Chapel during the 10 AM service. Please consider helping us out a Sunday or two this fall, serving alongside other adult volunteers and music ministry leaders.

### Bible Stories for Grownups – begins 9/14

If you missed out on the core stories of the Bible as a child, then don't miss Fr. Lonnie's new "Bible Stories for Grownups" class. We get started this Wednesday, September 14, at 6 PM, in the church. Each week, we'll dig into Bible stories every Christian should know. Please note, professional childcare (PreK & under) will be offered in Cobb Nursery during this class. Stay tuned for where audio recordings of our weekly classes will be shared on the St. John's website!
