ST. JOHN'S CONNECTS

Market Grant Applications – Due 11/15

The St. John's Market is a wonderful community event, and it's one of our key outreach efforts. Funds raised support both parish ministries and community organizations. Each year, half of the proceeds raised through Market Day and the Preview Party are designated for outreach and are awarded to organizations that address a current critical need in our community. Grants can be used for supplies, educational materials, equipment, or infrastructure for non-profit organizations. Please share our criteria for submissions with organizations that might benefit from a grant.

ANNOUNCEMENT

Searching for a New Associate Rector!

Help us spread the word! St. John's is searching for an Associate Rector to join our clergy team. This individual will work closely with Fr. Lonnie and assume responsibility for pastoral care, outreach, and parish life ministries. This is a position that requires a unique set of skills: an inward focus on parishioners and their families at challenging times, and an outward focus to serve, welcome, embrace, and build community with our parish body and those around us.

We encourage you to view the Associate Rector position description online for more information about who we are seeking. Then, please share the description far and wide, and include St. John's in your prayers to help us find the perfect addition to our church family!

Highlights

STEWARDSHIP

We've spent the month of October focusing on Stewardship and how good and right it is to give of ourselves through our financial and spiritual gifts. With 190 pledges in hand, we are nearly halfway toward our goal of 400 pledging households. Today, we'll give thanks and bless all pledges received to date as an act of faith and commitment for the coming year. Pledges can still be completed online or by mail in the coming weeks.
