What is St. Mary's Circle?

This women's group was founded at St. John's in 1933 for the purposes of fellowship and to help support projects that improve parish life. While St. Mary's meets a variety of church needs, their primary project is to provide a needs-based collegiate scholarship in the spring of each year.

About Martha Lee Boone Kuersteiner

Martha Lee Boone Kuersteiner was a beloved community and civic leader in Tallahassee. She served on the vestry at St. John's and was a member of St. Mary's Circle. A claimed descendant of Daniel Boone, she was the widow of Dr. Karl O. Kuersteiner, Dean of the School of Music at Florida State University. While raising their family of eight children, Martha Lee was named "Mother of the Year" by the *Tallahassee Democrat* in 1952. She served as state president of the Junior Women's Club, and the Junior League of Tallahassee established a community achievement award in her honor. She assisted with the founding of the Kappa Kappa Gamma Sorority at FSU and served as President of the FSU University Club. She was a board member of the Florida Heritage Foundation. These are only a few of her accomplishments. To know Martha Lee was to be inspired by her desire to help others achieve success and grow in love with Christ.

History of the Scholarship

In the early 1980s, while working on his degree at Sewanee (the University of the South) a young St. John's parishioner named Everett Puri was faced with a problem. His father had become seriously ill and there was the possibility Everett would not be able to return to school. When word reached St. John's Episcopal Church, Martha Lee Kuersteiner, a close friend of the Puri family, stepped in and rallied members of St. Mary's Circle to help provide this young man the funds necessary to continue his college education.

Quite a few years later, Everett Puri repaid this gift with one of his own in the form of a cash donation from the sale of stock he owned. Puri asked that St. Mary's Circle and St. John's use this money to establish a scholarship fund for another aspiring college student who might need financial assistance. He requested that the fund be named after his loving friend, Martha Lee Kuersteiner. Everett Puri went on to graduate from college. He is now a

broker with J.P. Morgan Securities, a past Trustee of Sewanee, and he serves on the University's Board of Regents.

The initial gift from the sale of the stock resulted in approximately \$1,200. St. Mary's matched this amount to purchase a Certificate of Deposit. Through interest and other gifts and memorials to the fund, the CD steadily increased in value. The first award of \$500 was made in the spring of 1998. The award has been presented every year since 1998. In 2009, the scholarship was raised to \$750 and by 2022 the amount has increased to \$1,500. Just this year, the amount was again increased to \$2,000.
