DOUBLE ISSUE: WEEKS OF JUNE 18 and JUNE 25, 2023

## WORSHIP NEWS

### St. John's Next Baptism Date: August 6

Do you have a child or grandchild who would like to be baptized? Or, perhaps you are considering being baptized yourself. We are excited to announce that our next baptismal Sunday is August 6. When you are baptized at St. John's you become a Christian, an Episcopalian, and a member of our local congregation all in one act. Baptism is available to people of all ages, including infants. It's an important decision that should be made prayerfully and deliberately. Contact us if you or someone you love is interested in learning what baptism entails and how to move forward with this beautiful sacrament.

## ST. JOHN'S CONNECTS

### Summer Choir Camp Draws Community

St. John's 8th annual Summer Choir Camp takes place the week of June 19-23! How blessed we are to have nearly 30 children gather on our campus to learn music theory, sing, compose, explore instruments, and play musical games under the skilled instruction of professional musicians from our community and the FSU College of Music. This camp draws children from all over Tallahassee, many with little to no experience singing in choir. By the end of the week, they've learned a mix of repertoire across languages, centuries, traditions, and difficulty – singing in harmony with St. John's Choir members in a concert for the public. All are welcome to join us at 2 PM on Friday, June 23, for a short performance that showcases the skills the children have learned during camp. Everyone is welcome! After this date, you can rewatch the concert on St. John's YouTube Channel.
