FAITH IN ACTION

Youth Mission Trip to Ecuador

Today is the deadline for any rising 9th thru 12th graders to register for the Youth Mission trip to Quito, Ecuador. Our itinerary is set in partnership with Caroline and John Allen, our missionaries in Ecuador, and typically includes a mix of children's programs, service work at the church and in the homes of parishioners, and lots of relationship-building and worship with friends new and old at our partnering church. It's not too late to join this life-changing trip! Register today!

The Kearney Center

Was one of your New Year's resolutions to help out in the community? St. John's has partnered with the Kearney Center since 2014 helping to serve food to our unhoused brothers and sisters and we're looking to expand our team! Check out our website for all the details on how you can be a part of this important ministry.

St. John's Choir School

Do you have an hour or two free during the week and are looking for a fun way to get involved at St. John's? Sign up today to be a Choir School classroom volunteer. You might even get a refresher course yourself on music theory and relearn those scales on the piano! For more information, contact Marissa Hall, Assistant Director of Music.

2023 MARKET GRANTS

St. John's would like to extend a big "Thank you" to our team of market volunteers who helped make 2023's St. John's Market a wonderful success. The Market took in \$27.5K after expenses, which enabled us to award \$14.5K in grants to local organizations. The remaining \$12.9K will help support St. John's mission, programs, and ministries.

Congratulations to the 2023 grant recipients, whose projects were selected to receive funding from the St. John's Market Grants committee, and approved by the church Vestry.
