FAITH IN ACTION

St. John's Market 2024

While it might sound hard to believe, we are just over six months away from 2024's St. John's Market! In the past six months, the money raised during 2023's St. John's Market was put towards incredible local programs. St. John's Market is our biggest fundraiser of the year. It brings St. John's parishioners together for a weekend of community outreach, and we are so grateful for all you do to support the Tallahassee community.

Which is why we are getting the word out about 2024's St. John's Market now! Our Preview Party will take place on Friday, November 22 and market will be on Saturday, November 23. We would love to hear from everyone who is interested in learning more about getting involved at the market. Maybe you've visited, but now want to work behind the scenes. If you are interested in volunteering, helping set-up and break down, creating crafts or baked goods, or anything at all, we want to hear from you. For more information, please contact Holly Sinco via email (hollygsinco@gmail.com).
