ANNOUNCEMENTS

Riley Elementary School Supply Drive

St. John's has supported our partner school, Riley Elementary, for years with mentoring, volunteerism, teacher recognition, and more. We plan to do the same this year by helping the student body start the year with all the items they need to learn and succeed!

You can help by purchasing school supplies and dropping them off at church by Monday, August 5. There will be a collection box in the Calhoun Street lobby near the church office. Head to our website to see the full list of supplies needed or make a donation online.
