

## Code of Conduct

I understand that being a part of the St. John's Choir School is a privilege and a commitment, and I promise to abide by the rules of the program:

1. I will respect the dignity of every person, including fellow singers and my director.
2. I will do my best to always be punctual.
3. I will be respectful of others' learning and will not cause disruption in rehearsals or services.
4. I understand that my voice is just as important as anyone else's. When I cannot attend a rehearsal or a service, I will sign out in the absentee book and let the director know.
