

Market Under the Stars: Grant Request Form 2026

St. John's Episcopal Church Market grants are designed for outreach in our community for:

- One-time non-recurring projects that will address a current critical need in the community or for an identifiable outreach population.
- Non-recurrent expenditures including, yet not limited to, funding of needed supplies, educational materials, equipment, or infrastructure for non-profit charitable or service organizations with mission targeting an identifiable outreach population.
- Grants may be provided for a variety of time-bound projects and collaborative activities that under normal conditions can be completed within one year. Grants are not typically awarded for the same project more than once.
- Funds will not generally be made available for ordinary, routine operation of organizations, programs or projects more appropriately funded through recurring operating budgets.
- Grantees must acknowledge, in writing to St. John's Episcopal Church, acceptance of their funding within 14 days of their award.
- Grantees must provide a report to St. John's Episcopal Church every six months and/or at the end of the project on the result of their efforts, including total amount spent and number of people served.

Please fill out no later than November 13, 2026. Email any questions to The Rev. Melanie Salsgiver, Deacon (melanie.salsgiver@saint-john.org).

Mailing address: St. John's Episcopal Church, 211 North Monroe St., Tallahassee, FL 32301.

Notification of grant awards will be made the week before Christmas and checks will be cut and mailed before December 31.
